Why MOVER'S CHOICE is THE Choice for Insurance

- **The Most Comprehensive Specialty Moving & Storage Insurance Program available** – the only program offered through one carrier that provides resources including an online loss control portal.
- **Flexible Appetite** - we tailor solutions for diverse operations. Nationwide availability provides consistent and reliable protection across the continental U.S., including movers with locations in multiple states.
- **Enhanced Loss Control** - superior loss control services help mitigate risk through improved workplace safety and reduced likelihood of accidents.
- **Monoline Workers' Compensation** - coverage options for \$200 down!
- **High Deductible Option** – innovative, unique solution for customers who wish to share in their own risk.
- **State-of-the-Art Payment Capabilities** – ePay Policy brings convenience of paying online with heightened security; no premium financing with Direct Bill Program.
- **Industry Advocacy** – we advocate for you by helping moving and storage operations navigate industry issues of compliance and regulatory changes.
